My Hope Is Built

- I. My hope is built on nothing less Than Jesus' blood and righteousness. I dare not trust the sweetest frame, But wholly trust in Jesus' Name. On Christ the solid Rock I stand, All other ground is sinking sand.
- II. When darkness veils His lovely face, I rest on His unchanging grace. In every high and stormy gale, My anchor holds within the veil. On Christ the solid Rock I stand, All other ground is sinking sand.
- III. His oath, His covenant, His blood, Support me in the whelming flood. When all around my soul gives way, He then is all my hope and stay. On Christ the solid Rock I stand, All other ground is sinking sand.
- IV. When He shall come with trumpet sound, Oh may I then in Him be found. Dressed in His righteousness alone, Faultless to stand before the throne. On Christ the solid Rock I stand, All other ground is sinking sand.

Words: Edward Mote, circa 1834.
